Dear Parents/Guardians,

END OF TERM & REPORTS

Thank you to all parents who came to the many events in the last two weeks, and above all the PSA who supplied such excellent refreshments, settings and support, and **raised over £ 1000**. The list below in **Reports** shows how busy we were. In fact, so busy, and also with reports which have all now been despatched first class post, we were not able to send a newsletter out last weekend after moving up days, which went very well we felt. It was a joy to welcome so many new pupils who will join us in September. This newsletter therefore serves for both weeks and closes our term. At present count, looking to September, we open with more pupils than were here at end of this term for the first time ever, which is a most encouraging sign. We are already booked with visitors in July. With reports despatched, all invoices are now due. Bank transfer, especially in the holidays, is the most helpful form of payment. Final Support bills for the term follow.
