

On behalf of the community of Priory School of Our Lady of Walsingham, we extend our condolences to Her Majesty the Queen and the entire Royal Family on the passing of HRH Prince Philip.

HRH Prince Philip was a visitor to St Mildred's Church, Whippingham where members of his family are buried, and a direct descendant of Queen Victoria who built the school that we are honoured to occupy.

His long life of service and duty is an example to us all. May he rest in peace.

We will observe a minute's silence in his memory at the first assembly of term.
